Medical institutions – Rural – Subsidy for opening a rural dispensary at Pethri

(Q) In para 2 of his No. 13 P.H dt 3/1/38 the ~~DO B~~ S. Kanara Dt B.D was advised to consider the desirability of opening a rural dispensary at Pethri. The Dt B.D has accordingly made the necessary provision in its budget for 1938-39 for the supply of medicines, and the President requests that a provincial subsidy for the medical officer and the midwife may be sanctioned

p 4 of- Rs 500/-

para 2 ans p 1 of- Rs 800/-

(J) 2. In G.O No. 1834 P.H dt 29.7.37 the proposal of the D.B to open 8 new rural dispensaries was negatived on the ground that its financial position was then very unsatisfactory. As it is now proposed to open only one rural dispensary, the Dt Bd can presumably

presumably find the small sum of Rs 500/- required for medicines and contingencies: The request of the P.D. for a provincial subsidy may therefore be considered in connection with the budget for 1939-40.

In the General budget of the S. Kanara DB for 1938-39, a provision of Rs 2000 has been made towards the Cost of Vaccines etc for the opening of the 6 new rural dispensaries. From pages 3, 7 and 25 of the C.F. in the budget file, it is observed that the Board has proposed to open one Sub-district rural dispensary for each of the 6 Talukas in the Dt. The dispensary proposed in the present file (at Puttur) is for the Kadaba Taluka. But in the draft order approving the budget, it is proposed to omit the provision of Rs 2,000 for all the 6 dispensaries on financial grounds. The Board cannot, in its present condition, undertake any new liability. With these remarks, the file may be returned to the DPH.

25-8-38

The Board's ordinary exp^re exceeds its ordinary income and the Govt. propose to direct in the orders to be passed on the budget of the DDB for 1938-39 that no provision under new items of expre under "Public Health - Medical Relief and Public Health - Preventive Medicine" and "On other than Establishment" shall be omitted.

Order ~~Resolution~~ Mis. No. 3137 M/8, dated 3-9. 1938.

The Government are unable to approve the proposal of the South Kanara District Board to open a rural dispensary at Pethri in 1938-39 as its financial position is ~~fluid~~ unsatisfactory and as it is not advisable for the Dt. Bd. to embark on new schemes involving recurring expenditure.
